

Pink Merlot 2011

Wine of Origin Stellenbosch

The Pink Merlot is our fun wine, a fruity-dry Rosé made from Merlot grapes. It convinces with its joyfully bright colour, the delicate berry flavours and a lingering aftertaste.

The vintage 2011 is made of specifically dedicated fruit from the lush parts of our vineyard, distinguished within our vineyard by aerial infrared photography. It was harvested on 2nd of March, two weeks before maximum ripeness, for comparably lower alcohol, crispier acidity and fresher flavours. Meticulously sorted and carefully processed in the cellar like a top-notch white wine, it was slowly cold-fermented over three weeks to preserve the delicate fruit flavours.

Serving suggestion: This Rosé is the perfect wine for any occasion, as aperitif or as versatile companion to many dishes such as fish and shellfish, salads, even curries and any other summer meal. Or simply enjoy on its own as the ideal sundowner – to match the always-stunning pink sunsets of Africa!

- Serve slightly chilled, ideally at 8-10°C
 - Enjoy young, best in its first year of production
